## VENUE OPTIONS

# granary & grove

This venue provides a setting reminiscent of a Tuscan landscape for your wedding ceremony, amongst 1,100 olive trees in a private grove, "Oliva Di Tabragalba". Located in the foothills of Tambourine Mountain, this venue is easily accessible from the Gold Coast. Quaint heritage accommodation is provided in the Granary, a boutique space once used to store olives from the harvest, that has now been restored and comfortably styled.

## VENUE OPTIONS

# beach wedding

Living on the Gold Coast, we are lucky enough to have the choice of some of the most beautiful beaches in Australia for our weddings. A beach setting is a fantastic option for an elopement, as it is easily accessible for small groups of people, and provides a naturally stunning backdrop for photos and video.

If you want to say your 'I do's on the beach, Ivy & Bleu will take care of obtaining the right permits and permissions to perform a beach ceremony. Contact us to find out more about location options and how a beach elopement might work for you.

# final things to note

Our package inclusions aren't totally exclusive; if you need help outside of the standard inclusions listed, if you'd like to get hair and makeup for extra people or if you'd like to source/have already sourced your own vendors that is absolutely OK. We're able to customise services and final costing to suit your specific needs.

Prices in this guide are inclusive of GST and as per Ivy & Bleu terms and conditions. Full terms and conditions are available to view on our website under Contact Us. Prices exclude additional staffing, additional florals, hire for items not listed etc.
